

COMITÉ NOVIEMBRE...MES DE LA HERENCIA PUERTORRIQUEÑA
20TH ANNIVERSARY CELEBRATION

20TH ANNIVERSARY COMMEMORATIVE CALENDAR JOURNAL

Comité Noviembre's commemorative journal calendar becomes a collector's item each year because of the articles and historical information that it provides. These essays and articles are published annually in several newspapers ranging from The New York Daily News, el diario la prensa, HOY, as well as the San Juan Star and el nuevo día in Puerto Rico. The calendar is developed by disseminating a questionnaire to Puerto Rican organizations throughout the tri-state area and other states throughout the country to acquire information about their November activities. The journals are distributed to educational, cultural and community organizations. Over 250 events and activities are sponsored and held by community based organizations, cultural institutions and government officials throughout New York alone. The journal articles are written by community activists, educators, artists and CN members.

The calendar journal is launched annually at the CN Puerto Rican Heritage Month Kick-off Event that will take place this year at the Stanley H. Kaplan Penthouse at Lincoln Center Plaza on Friday, October 27, 2006.
